ARIZONA MUSIC EDUCATORS ASSOCIATION CONFERENCE

JANUARY 31 - FEBRUARY 1, 2020

Dear Administrator:

I am writing to let you know of an outstanding opportunity for your school's music educators to participate in relevant and focused professional development in their instructional area. The Arizona Music Educators Association state conference will be held in Mesa, Arizona on January 31 and February 1, 2020. The conference theme this year is "Investigate. Innovate. Invigorate." and will feature over 100 sessions geared towards elementary, secondary, and collegiate music education in our state.

These sessions will help your music educators expand their teaching techniques, and will offer new ideas and knowledge to better educate the students at your school. Your music educators will earn up to 12.5 recertification hours across a wide range of topics in music education by attending this conference. In addition, educators will have access to over 50 exhibitors, where they can learn about and try out innovative products for the music classroom.

If your music educators are members of the Arizona Music Educators Association, the total cost of registration for this two-day event is only \$160 per person. This is an incredible bargain for the amount of professional growth they will gain by attending this conference.

We encourage you to support your music educators by sending them to this highly engaging annual event. Registration can be completed online at www.azmea.org, and payment can be by purchase order, check, or credit card. We look forward to seeing your school's music educators for the 2020 Arizona Music Educators Association state conference!

Sincerely,

Scott M. Burgener
