

## *Why attend the 2023 Arizona Music Educators Association In-Service Conference?*

Music educators will return with innovative, new standards-based teaching strategies to use in their classroom and to share with other teachers, students and parents.

Music educators will earn recertification hours for attending the conference.

Music educators will meet with fellow music educators and have dedicated time to network and learn best practices.

Music educators will have access to exhibitors who will provide new and innovative musical instruments, materials and equipment to test drive on behalf of your district and your music colleagues.

# ARIZONA MUSIC EDUCATORS ASSOCIATION IN-SERVICE CONFERENCE

**FEBRUARY 3-4, 2023**

Dear Administrator:

I am writing to let you know of an outstanding opportunity for your school's music educators to participate in the Arizona Music Educators Association In-Service Conference. The conference will be held in Mesa, Arizona, February 3-4, 2023 and will provide relevant and focused professional development for Arizona's music educators. The conference theme this year is "Boldly Go" and will focus on the academic and non-academic attributes that will energize student learning, student engagement and provide inspiration through 100+ sessions offered for Arizona's elementary, secondary and collegiate music educators.

These sessions will help your music educators expand their teaching techniques and will offer new ideas and knowledge to better educate the students at your school. Your music educators will earn Professional Development Recertification hours across a wide range of topics in music education by attending this conference. In addition, educators will have access to over 60 exhibitors, where they can learn about and try out innovative products for the music classroom.

A special feature of the 2023 conference is an Administrator Track. Please consider attending and/or encouraging members of your administrative team to attend on Friday, February 3, 2023 for sessions designed to inform and support administrative leadership in music education. There is no registration fee for Administrators to attend these sessions and you are welcome to attend the Hall of Fame Luncheon (included) with your music educators if you are available to stay for that event.

There has never been a more important time to support professional development and mental health for your music educators. We strongly encourage you to send them to this highly engaging annual event. Registration can be completed online at [www.azmea.org](http://www.azmea.org), and payment can be made by purchase order, check or credit card. Fees vary depending on membership and a special rate is offered to First-Year Teachers. We look forward to seeing your school's music educators in attendance at the 2023 Arizona Music Educators In-Service Conference!

Sincerely,

Darin W. Shryock  
President, Arizona Music Educators Association  
Resident Faculty, Mesa Community College
