

Arizona Music Educators Association Conference

Registration Information

Conference Dates – January 29th and 30th, 2027

Location – Mesa Convention Center, Mesa, Arizona

Dear Vendors:

You are invited to not only show at the AMEA Conference, but to also take part in the conference. There are sponsorship opportunities for vendors. I would ask that you read the information carefully. If you have any questions, do not hesitate to reach out to me either by email or by phone.

In 2026, we had over 900 members registered, over 1.600 performers, and over 250 collegiate and high school future music educators participating in the conference. This year Dr. Tim Lautzenheiser will be our keynote speaker and I am certain our attendance numbers will go up since he will be presenting at the conference. I would highly recommend that you hear his keynote session if you have never heard him before!

If you want to present a session, then go to “Present at the 2027 AMEA In-Service Conference” on the AMEA Website and make certain that you click on **‘SHOWCASE’**. That means I will see it and if it is of special interest to ABODA, ACE, or AzSGM they will also see it.

There will be an AMEA “After Hours” party in the exhibit hall on Friday evening starting at 5:00 pm for all vendors and attendees. There will be food, beverages, and prize give aways. If you wish to give any prizes away, I will ask that you do so during the “After Hours” party.

I look forward to collaborating with you at our conference!

Arizona Music Educators In-Service Conference

Purpose

The Arizona Music Educators Association state conference exists for educational purposes exclusively to raise the standard of music education; to improve the methods employed in music education; to develop new teaching techniques; to disseminate to school music teachers, directors, administrators, and others interested in music education, information to assist in their professional work, to examine, analyze, and appraise demonstrations for the betterment of music education; and in general to assist teachers and others interested in music education in better pursuing their profession.

The expectation for all vendors is to support and promote the Arizona Music Educators Association and its constituent organizations.
