

Arizona Music Educators Association In-Service Conference

January 29-30, 2027

Dear Administrator:

I am writing to let you know of an outstanding opportunity for your school's music educators to participate in the Arizona Music Educators Association In-Service Conference. The conference will be held in Mesa, Arizona, January 29-30, 2027, and will provide relevant and focused professional development for Arizona's music educators.

The conference will feature over 100 sessions for Arizona's elementary, secondary, and collegiate music educators. These sessions will help your music educators expand their teaching techniques and offer new ideas and knowledge to better educate your school's students.

Your music educators will earn Professional Development Recertification hours across a wide range of topics in music education by attending this conference. In addition, educators will have access to over 50 exhibitors where they can learn about and try out innovative products for the music classroom.

Administrators are invited to be our guest at the AMEA In-Service Conference on Friday, January 29, from 9:30 a.m.–12:30 p.m. for sessions specifically designed to support administrators as they support their music educators and music programs. We also invite you to stay and enjoy a complimentary lunch at our Hall of Fame Luncheon, where we will celebrate the outstanding contributions of music educators across Arizona. We would be honored to have you join us! Register at www.azmea.org.

This is an important time to support professional development for your music educators. We strongly encourage you to send them to this highly engaging annual event. Registration can be completed online at www.azmea.org, and payment can be made by purchase order, check, or credit card. We look forward to seeing your school's music educators in attendance at the 2027 Arizona Music Educators In-Service Conference!
